Identity Restoration

If you become a victim of identity theft or other fraudulent crimes, identity restoration provides access to a fraud specialist to guide you through the complex process of restoring your personal identity, credit rating, financial security, and legal integrity. This service fills a void by providing legal, financial, and identity theft restorations services.

You'll have unlimited access to a fraud specialist.

How to use:

Call BaZing Customer Service at 855-UBAZING (855-822-9464), and BaZing will connect you with a fraud specialist.
